

# Team BoF Summary

- Presentations and discussions from various types teams.
  - Small, big, mostly together, widely distributed, one organization, a bunch of volunteers.
- How does your team work?
  - Slack seems popular. Especially for distributed teams. Helps create a sense of being together.
  - Scrum Agile is being used in some teams.
  - Try to build consensus.
- Who are your team, who are you?
  - Trust and respect.
  - Try to keep a balance of various skills, various style, various personalities. Complement each other.
  - Set code of conduct, and do not accept any behavior that would break the trust.
  - Probably easier to establish and keep trust in small teams.
